Steppingstone, Inc.

Breast health and breast cancer education, screening, treatment referrals and access enabling services.

A Project devoted to providing breast health and breast cancer education, early detection and screening, and referral to treatment.

About One Step Ahead

Steppingstone's One Step Ahead project offers effective services developed to increase knowledge in areas of breast health and breast cancer, increase early detection and screening, and decrease barriers to obtaining treatment. One Step Ahead is a joint effort of Steppingstone Incorporated and Saint Anne's Hospital of Fall River Robert F. Stoico/FIRSTFED Center for Breast Care.

Admission Criteria

To receive these services you must:

- Be a resident of the Commonwealth of Massachusetts

Services are offered at Steppingstone's Fall River and New Bedford locations.

Services Offered

- Monthly breast health/breast cancer educational groups
- Assistance with scheduling mammograms and clinical breast exams
- Monthly Chocolate and Roses mammogram screening events held at Saint Anne's Hospital of Fall River, Robert F. Stoico/FIRSTFED Center for Breast Care
- Assistance with transportation to attend screenings
- Assistance with becoming engaged in treatment
- Referrals to other health services as needed
- Semi-annual groups for men regarding breast health and breast cancer are also offered
- Education is available to any community based agency in the Greater Fall River or New Bedford Community. The One Step Ahead Nurse Educator will go to your Agency and provide this education on-site for your staff or clients.

Referral Process

Any interested individual or Agency interested in receiving One Step Ahead services please call 508-674-2788 ext. 109.
