

Taking steps to end homelessness together in the Fall River Area!

[Welcome Team Captain!](#)

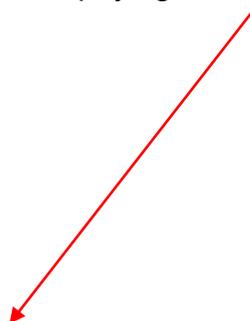

We are delighted that you are joining us as a Team Captain for Steppingstone's annual **Get Steppin'** Walk for the Homeless! Thank you for taking the first step towards making our event a great success. This kit is designed to provide you with the tools needed to make your team's experience fun, successful, and rewarding.

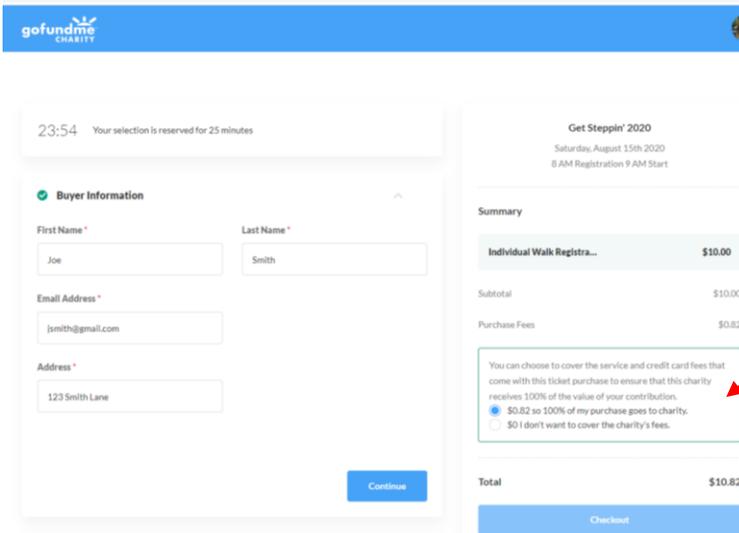

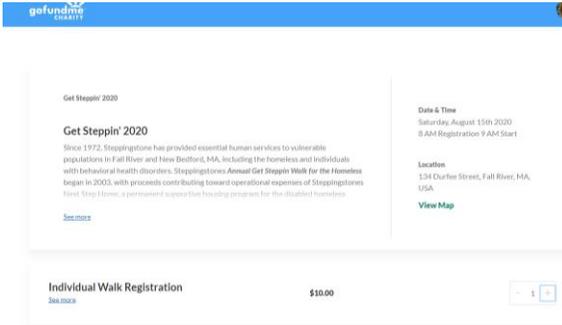

There are two methods for developing and managing your team and collections:

- a. You may develop your team online at:
<http://www.steppingstoneinc.org/gofundme>.

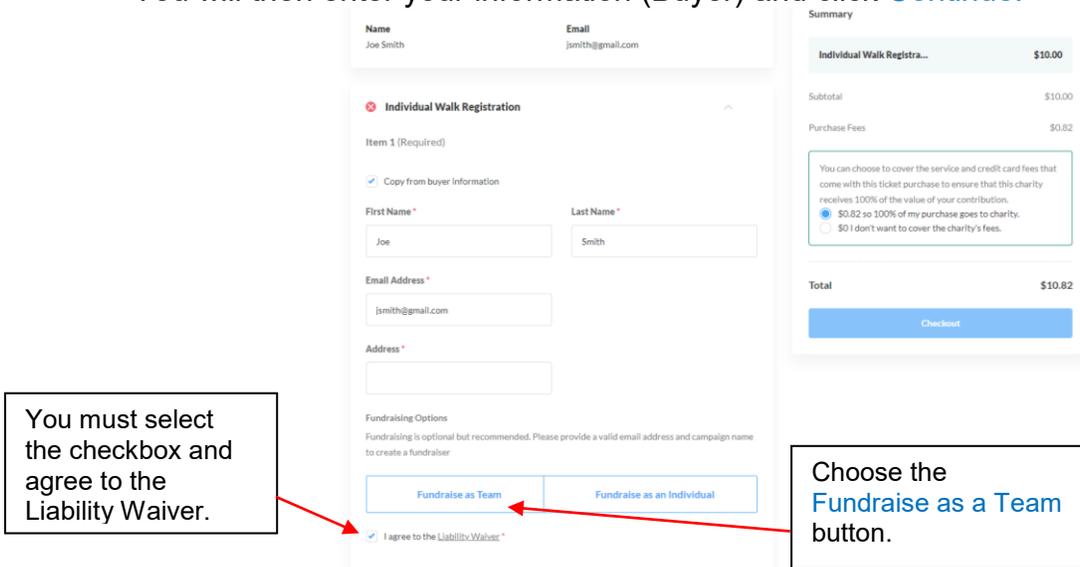

Begin by clicking the blue **Register** button. You will then select the number 1 to register yourself, or you may select more if you want to register other team members at this time. Whoever you register at this time, you will be paying the \$10 registration fee for.

You may choose to pay gofundme's fees or select \$0 and Steppingstone will be charged the fees.

You will then enter your information (Buyer) and click [Continue](#).

You must select the checkbox and agree to the Liability Waiver.

Choose the [Fundraise as a Team](#) button.

You then have the option to Join a Team or [Create a Team](#). Select [Create a Team](#), give your team a name and set your goal!!

Fundraise as Team Fundraise as an Individual

Complete the transaction by entering your payment information.

Within a few minutes, you will receive an email from gofundme on how to customize your team page, if you wish to do so. You can add your photo to your gofundme account. You can also upload a team photo, or the Get Steppin' logo will remain as the default. You may also write a narrative about your Get Steppin' fundraising campaign.

Your team members can find you by going to the Get Steppin' campaign and scrolling down through the teams, or you can provide them a direct link to your page. You may share your link on Facebook or Twitter directly from your gofundme Get Steppin' team page to reach more friends and family.

Set a fundraising goal, see how much your team is raising and have some fun competition with other teams! If you collect a combination of online donations and cash, you can record the "off-line" donations on your team page and turn in the cash to Steppingstone's Finance Department located at 111 Durfee Street, Fall River prior to the Get Steppin' event. In order to reconcile, we ask that you turn any cash in at least 48 hrs. prior to the day of the event.

- b. If you prefer to start a team without using technology or the internet, you may start your team, record and collect cash and submit it to Steppingstone's Finance Department prior to the Get Steppin' event. In order to reconcile, we ask that you turn funds in at least 48 hrs. prior to the day of the event.

No matter which method you decide on using, as a Team Captain, you are a powerful force in the fight to help the homeless in Fall River!!
